(As Amended by House Amendment Schedule "B")

"AN ACT CONCERNING REGIONALISM IN CONNECTICUT."

1 Strike section 82 in its entirety and insert the following in lieu
2 thereof:

3 "Sec. 82. Subsection (b) of section 12-71 of the general statutes is
4 repealed and the following is substituted in lieu thereof (*Effective*
5 *October 1, 2015, and applicable to assessment years commencing on and after*
6 *said date*):

7 (b) Except as otherwise provided by the general statutes, property
8 subject to this section shall be valued at the same percentage of its then
9 actual valuation as the assessors have determined with respect to the
10 listing of real estate for the same year, except that any antique, rare or
11 special interest motor vehicle, as defined in section 14-1, as amended

12 by this act, shall be assessed at a value of not more than [five hundred]
13 one thousand dollars. The owner of such antique, rare or special
14 interest motor vehicle may be required by the assessors to provide
15 reasonable documentation that such motor vehicle is an antique, rare
16 or special interest motor vehicle, provided any motor vehicle for which
17 special number plates have been issued pursuant to section 14-20, as
18 amended by this act, shall not be required to provide any such
19 documentation. The provisions of this section shall not include money
20 or property actually invested in merchandise or manufacturing carried
21 on out of this state or machinery or equipment which would be eligible
22 for exemption under subdivision (72) or (76) of section 12-81 once
23 installed and which cannot begin or which has not begun
24 manufacturing, processing or fabricating; or which is being used for
25 research and development, including experimental or laboratory
26 research and development, design or engineering directly related to
27 manufacturing or being used for the significant servicing, overhauling
28 or rebuilding of machinery and equipment for industrial use or the
29 significant overhauling or rebuilding of other products on a factory
30 basis or being used for measuring or testing or metal finishing or in the
31 production of motion pictures, video and sound recordings."
